Our PTA budget is primarily funded by this membership drive and Enrichment Fund contributions. The Enrichment Fund replaces traditional fundraising and your thoughtful, tax-deductible contribution will support educational programs, teacher requested curriculum supplies and activities for your children.

Another way to contribute is through your employer's matching gifts or volunteer grants program. Check this website to see if your company participates in either of these programs: <https://doublethedonation.com/hopewellmiddleschoolpta>

We appreciate your generous contribution in any amount!
