Welcome to Hopewell Middle School! We would love to have you come and volunteer in our school. Your time, ideas and talents are beneficial to all and foster stronger school and community relationships. Thank you for your interest and time!!

To keep in compliance with State Law, we will require that all persons interested in volunteering in the Fulton County School District to re-register/register (even if a person has completed an application in the past). The registration process can be found on the FCS District Website under Community/Partners & Volunteers and is REQUIRED EVERY SCHOOL YEAR for all volunteers.

*What we need from you: ALL volunteers (new and prior year) must register PRIOR to your first volunteer commitment at HMS. The process may take up to 48 hours to process.*

- *Register at http://www.fcsvolunteers.org/*

- *Complete the mandatory online training.*

- *Complete the volunteer application form and submit.*

- *Wait for a confirmation email from Fulton County Schools.*

- *To complete the process, bring your picture ID to front office to be scanned.*
